#### Overview

A redevelopment of the Boggo Road Gaol Precinct, key features of which include new parks, green space around the No. 2 Division Gaol and an urban boulevard behind the Gaol incorporating a landscaped forecourt and streets. The historic No. 2 Division Gaol will be retained for public access and used for educations, cultural or commercial purposes. The entire development will feature high energy efficiency and sustainability ratings.

Accommodation for restaurants, cafes and retail shops, together with health, leisure and childcare facilities is included in the plan over nine Lots designated as mixed use, commercial retail and residential.
