Rider Levett Bucknall was appointed as Professional Advisors and Monitors to the Heritage Lottery Fund, to be the eyes and ears of the fund from grant award through the development and practical completion of the Gibside Restoration Project in Burnopfield, Newcastle.

This 18th Century Grade 1 Listed landscape park and woodland is located in the Derwent Valley, and features as one of the North's finest landscapes. Embracing many miles of walks and fine views, the restoration project involves the acquisition and refurbishment of a Grade 1 Listed Stable Block to provide working stables, interpretation facilities for visitors, education facilities, training rooms and accommodation for local volunteers and the long term unemployed.

The existing Orangery will be stabilised and made fully accessible to visitors. The Green Close area of Gibside which is currently planted with Scots Pine which will be removed to provide excellent public access and views of the main hall, restoring the landscape back to its original design.

The Heritage Lottery Fund appointed Rider Levett Bucknall to act as project advisors and monitors to practical completion of the scheme in 2005. In representing the HLF, we have worked alongside English Heritage to secure consent to the proposals. Our role has included Programme Management, Procurement Management, Design Development, Cost Development, Cash Flow Management, Co-funding Approval and Grant Drawdown.
