

Project Profile

Margate Foreshore Redevelopment | Brisbane, Australia

Client	Redcliffe City Council
Sector	Parks
Project Cost	\$5 million
Services Provided	Cost management services up to tender
Architect	Hassell Pty Ltd
Head Contractor	McDonnell Dowell

Overview

- Upgrading 1.5 km of waterfront including
- tree planting
- a series of viewing pavilions
- boardwalk
- pedestrian/cycle access
- traffic calming
- car parking
- dune restoration

The master plan also identifies options for stabilising beach erosion problems including the construction of a series of headlands incorporating recreating facilities.
