**Jephson Homes Housing Association is one of the biggest registered social landlords in England and Jephson Housing Partnership has been awarded Partner Programme Agreement status by the Housing Corporation through which they plan to develop around 2000 new homes over the next four years.**

Demonstrating extensive experience within the residential sector, Rider Levett Bucknall has successfully secured their role as a National Partner providing Employer Agent services.

Significant partnering experience, increasing experience of working with modern methods of construction ensured that Rider Levett Bucknall was chosen as preferred strategic partners to enable Jephson to achieve its objectives.

Jephson Housing Partnership will provide 600 new homes prior to 2008. This programme commenced during first part 2007.
